FINANCE

THANK YOU FOR YOUR SUPPORT

As 2019 draws to a close, here at FFF we would like to thank each of you for your continued support. Our network has grown massively over the past 12 months, with over 1,300 Value Makers and 500 FACE. Happy Holidays!

FUTURE-FOCUSED FINANCE AWARD

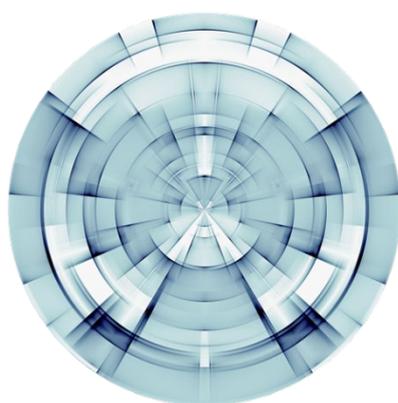

Congratulations to Ken Godber, who won the Future-Focused Finance Award at the HFMA Annual Conference 2019. Ken has championed staff development and the benefits of being involved with FFF in the East Midlands, well done Ken!

DESIGNING OUR FUTURE REPORT

Future-Focused Finance, the [HFMA](#) and [PwC](#) have worked together to outline a vision for the future NHS finance function. Our report: [NHS finance: designing our future](#) is all about the future of the NHS and we need your help, we want to know what you think; whoever you are and wherever you work.

WHAT TECHNOLOGIES ARE YOU USING?

We would like to know what 'new' technologies you are using in your organisation. Please let us know so that we can begin to build a picture of what's in place across the country and enable you to connect with those colleagues who are looking to develop their skills in the new technologies.

DIVERSITY & INCLUSION: HOW YOU CAN MAKE A DIFFERENCE

A diverse and inclusive finance function leads to better care for patients and a better place to work. The new report published by Future-Focused Finance and the [HFMA](#) explores the ways in which you can make a positive difference for diversity and inclusion at your organisation.

EXPLORING THE ROLE OF THE FINANCE BUSINESS PARTNER

FFF, [HFMA](#) and [ACCA](#) have explored the role of the finance business partner in this briefing based on numerous interviews with current business partners and those who they work closely with. It includes a number of case studies that illustrate the various ways finance business partnering is helping both private and public sector finance teams offer more pro-active, forward-thinking support.

EVO PILOT SUMMARY

FFF and [HFMA's Healthcare Costing for Value Institute](#) have worked together to develop the Engagement Value Outcome (EVO) framework. This framework promotes collaborative working between clinical and finance teams and their collective understanding of PLICS, providing the NHS with a framework to ensure resources are used in the most effective way possible to provide high-quality care to patients.

Engagement Value Outcome
