## DESIGNING OUR FUTURE: REGIONAL EVENTS

In December 2019, Future-Focused Finance, the HFMA and PwC worked together to outline a vision for the future NHS finance function and released the [NHS finance: designing our future report](#). We want to gather the views, insight and passion of all 16,000+ finance staff to help us co-create a new vision, plan and way of working for the NHS Finance Community and will be running a number of events and an online forum as part of this. Book onto any of the regional events and have your say.

## HEALTH & WELLBEING CHAMPION CHARTER

When we are busy and facing challenges it can be easy to forget to look after ourselves and our fellow team members. Our Health & Wellbeing Champions are those who have pledged to make a positive difference in their teams and create opportunities for staff to access support and raise awareness of the importance of health & wellbeing. We have put together a charter that includes examples of different actions you can take to make a positive difference.
