

FINANCE DIRECTOR DECLARATION

I DECLARE THAT I WILL:

Show my commitment to the aims of One NHS Finance by:

- Leading by example through engaging with One NHS Finance and its three programmes: The National Finance Academy, Future-Focused Finance and The Finance Innovation Forum
- Supporting the successful delivery of the National Finance Development Strategy and EDI Plan
- Demonstrating enthusiasm for the aspirations and activities of the programmes
- Making use of the available tools and resources locally wherever possible
- Encouraging my team to self-nominate as champions for the One NHS Finance programmes and networks
- Committing to being an inclusive leader and building a finance team which reflects the diversity of the populations that we serve
- Fostering an inclusive culture that takes a positive approach to flexible working in all roles across my team

Creating space and resource for my team to participate by:

- Making One NHS Finance part of team communication and encouraging local network members to provide updates and share learning
- Empowering those who volunteer as One NHS Finance network members to implement change locally
- Encouraging my team to engage with the One NHS Finance website, MS Teams platform and social media

Sharing ideas across our One NHS Finance community by:

- Sharing existing good practice and new initiatives
- Supplying news and information
- Contributing ideas for new initiatives consistent with the six values of the One NHS Finance

Volunteering to support delivery by:

- Providing people and piloting opportunities for One NHS Finance programmes, projects, and initiatives
- Supporting individuals to offer their skills and time in getting involved in local and national activities

Through signing this, I am:

By signing this declaration I confirm my commitment to taking this forward
