

# ANNUAL REPORT 2021-22 LAUNCH & PROGRAMME UPDATES

Friday 10 June 2022, MS Teams – 14.30 – 15.30

Join us at our online event to launch the first ONF Annual Report and highlight the progress and achievements made since the programmes launched in September 2021, thanks to the support and efforts of the NHS finance community. In this hour-long event you will hear first-hand from each ONF programme chair on key updates since launching, and also what the plans for 2022-23 entail – including what you can get involved in and access for your development. There will also be an opportunity to have your questions answered during a live Q&A session. We hope you can make it!
